### "The Latest News"

Well we had our first meeting in a while that no one rode there bike. It is way to friggin cold this early in the season. There was a really good turnout for this months meeting. There was a Poker Run Committee meeting at 6:30. Yes, we finally had a meeting. We went through a lot of stuff and I was very happy with the progress. We decided that we would donate the proceeds to the Pottstown Operation Save-A-Life. For those that do not know what this is, here goes. It is an Organization that makes sure all new born children in Pottstown go home from the hospital with a care package. This includes a smoke detector, window sticker and other things to make our kids as safe as possible. I like the idea. Brian Kisch is getting me some information and we will go over it at the next meeting. The date of the Poker Run will be April 22, 2006 with a rain date of April 29, 2006. This will start and end at Goodwill as of now. We will get with Goodwill and finalize the details. Toby is going to talk to the Fire Police and the Union to see if they are interested in having a breakfast that day. The breakfast will be there responsibility.

Maybe we can help multiple groups with this one ride. I will have a route ready for the January Meeting. It should be around 65 miles. Stay tuned folks, more details to come.

**IF YOU DON'T WANT TO PAY AN EXTRA \$20.00 ,GET YOUR 2006 CLUB DUES IN PRONTO!**

Our first Beef & Beer try is coming along. The date is January 28, 2006 at the Moose from 7 to 11 pm.. Tickets are available from Brian Kisch. \$20.00 / single... \$35.00 / couple. Let's get selling. We have 225 tickets to sell. Brian already has sold around 50. Great Job. Speaking of Brian, I see you were messing with Bubbleheads hat again. This time he bit.

Oh ya before I forget, we need to stop going to Charlie's house for these meetings. Damn, I must put on 5 pounds a meeting. Great Job Ma and Paw Kienle. Unbelievable as usual. Don't forget your bottom rockers are in for those who ordered them. Also, get your t-shirts. Tobster has them and they are pretty nice. We had a 50/50 drawing. Charlie won. Maybe this will help offset the cost of the spread they had laid out for us. Brian is looking for door prizes for the Beef & Beer. If you have any or any ideas please contact him.
