“The Latest News”

Alrighty then,

Our monthly meeting was held at Hancock Fire Co. Thanks for the invite Reds and Don. I'd like to welcome a new member. Joe Catagnus of Hancock Fire Company wandered in to our meeting after returning from a fire. He thought it sounded like it was a good idea. So, he decided to sign up. Now, he just needs to get the bike put back together. We were OK'd for the friends of T-shirts. Ya I know, can you believe it. We will have 50 printed up for the Poker Run. Speaking of the Poker Run, it's coming quick. We need everyone at the next meeting to go over what needs to be done.

Anyone on the By-Law Committee, please contact Toby. These need to be finalized pronto.

Ok for the Poker Run. Here's the duty list that still needs filling

I need 1 more person for the Registration and Waiver table. One more for the Card Draw table. One for the Red Knight Booth. Three for the first stop. Bruce and Brian, would you mind doing this stop. I figured you 2 and the girls could make your our excitement. Just kidding. I need one for the second stop. I would like at least 1 more person to be with Charlie. He will be manning his truck and trailer in case of a breakdown and also he will be the last to run the route looking for people and picking up tables and what not. I will be driving the route that Friday to check for obstacles if someone wants to go along.
