LATEST MEETING

Alrighty mighty riders. We had our meeting on Sunday. Nice day, nice weather. We had 2 prodigal children return. Welcome back and you know who you are. We are going to push back the Mid Atlantic Air Museum Ride until later in the season. Well for the Poker Run, it wasn't to bad. We made \$634.20 to give to the Operation Save-A-Life.

Not bad for our first one and having to move it a week because of weather. We are going to take a break for 2 months then we will need to get started on next years ride. We received a lot of feedback that if we use will make our ride much better. Put on your thinking caps and come up with some ideas for who we can help next year. Toby is going to setup a meeting with the Blue Knights to give them there trophy. He would like to have a group go with for this. I think we are also going to set up a stand at Boyertown Bike Night. We can sell Friends shirts and do some recruiting. This is good exposure for our little pack of misfits.

Big Red got his new wheels. Must be nice...lol
